INTERNATIONAL CHRISTIAN ADOPTIONS

INSTITUTE FOR CHILDREN'S AID,(dba)

A Voice of HOPE for Children Worldwide

We just want to say thank you!

Thank you for sticking around and supporting us.

Thank you for continually praying for us.

Thank you for contributing your time, energy, donations, and encouragement. Those little words of encouragement help pull us through.

Thank you for continually believing in what we (ICA) do/does matters!
Thank you to our Resource Families. The time, effort, patience, investment you all give to our kiddos is so overwhelmingly humbling and appreciative.

Words cannot truly describe how thankful we are for you.

Thank you to our churches, ministries, businesses, and vendors that partner with us. Thank you for coming alongside of us and allowing us to share with your people and supporting the call to be a Voice of Hope.

Thank you to our unbelievable staff, past, present, and even future, for allowing God to guide you to ICA and allowing Him to use you mightily for the ministry we partake in.

As we celebrate this week with those around us and reflect on being thankful, we wanted to describe a little picture for you. The picture of a kiddo who once was in need of a family, but thankfully through all of our joint efforts, they are able to spend this holiday season with a family who loves them. Keep in mind, it may not be their bio family, but it could be their Resource Family or their Adoptive Family who is willing and wanting to embrace this person in need, into their family, and into their loving home. Now, this kiddo just calls them their family. Together, WE did this! Together, we are able to continue to place these children and youth into families who will love and cherish them. Together, we can be thankful for the work the Lord has done and what He has allowed us to be a part of AND the work that is ahead!

We are so thankful that you all are willing to be a Voice of Hope to those in need.

Psalm 69:30

"I will praise God's name in song and glorify him with thanksgiving."
