## HOW YOU CAN HELP IN 2026

### DONATE

In 2026, ICA will have various programs that provide different services for our families, youth & children. We are a 501(c)(3) non-profit and all donations are tax deductible. While we have provisional funding, not all of our programs and services are covered under this funding. It's through the generosity of our supporters that allow us to continue to provide some of these programs and services to our families and the community.

### ADVOCATE

At ICA, we are always looking for people to join us in advocacy and bring awareness to all that we do. In 2026, ICA will have new opportunities and new ways to join us and be an advocate for ICA. Stay tuned as we announce those throughout the year.

### PRAY

In 2026, we ask that you continue to pray for:

- ICA
- Our staff
- All the of the families, youth and children that we serve.
- More families would be willing and able to be Foster Families.
- We would acquire more funding to grow our staff and our programs and services for our families

WANT TO HELP CALL NOW (888) 507-9360

The donations received during last Christmas was a beautiful reminder of what community can do together uplift and love one another. With the help of generous donors and volunteers, Over 75 kids and their families were blessed with gifts, shared meals and experienced celebrations filled with joy, laughter, and connection reminding them they are deeply loved.

Thank you for making this meaningful day possible. For many this was their first holiday in a safe loving environment.

### **Medical Needs: Plastic Surgery Support**

Some of our children are in need of plastic or reconstructive surgery due to medical conditions or past injuries. These procedures are essential not only for physical healing but also for restoring confidence and emotional well-being. With your support, we can ensure these children receive the care they need to live healthy, dignified lives.

### **Counseling Goals: Expanding Emotional Support**

As our program grows, so do the emotional needs of the children we serve. ICA is working towards hiring additional counselors to provide more consistent, individualized, trauma-informed care ensuring every child has access to the mental health support they deserve.

### **How You Can Help in 2026**

As we look ahead to 2026, supporters can make a lasting impact by:

- **Foster:** Open your heart and home to a child in need
- **Donate:** Provide critical support for education, health, and daily care
- **Advocate:** Help raise awareness and be a voice for vulnerable children

Every action plays a role in protecting and empowering children.

A lot is going on in the world around you. Stop. Take a minute to breathe, to pray, and to thank Jesus for the things He has provided. It's in the moments of silence He speaks. Be silent, be still, and listen to His voice.
